

NUNO SEBASTIÃO

Presidente & CEO da Feedzai

Prior to starting Feedzai, Nuno was a lead engineer for the European Space Agency, and worked closely with several successful technology startups. In 2011, Nuno, along with his fellow co-founders, established Feedzai to manage financial crime with advanced machine learning technology.

Fast forward to today, Nuno has been named the Entrepreneur of the Year by London Business School, shared a stage with tech leaders such as Stephen Hawking, Steve Wozniak, Richard Branson and has been the driving force of Feedzai's global growth. Under Nuno's leadership, Feedzai has raised more than \$282 million in venture funding, 500+ employees, and continues to keep commerce safe for many of the leading banks, retailers, and payment processors around the globe.

Nuno has an MBA from the London Business School.
